## CIRCULAR

Dear Parents,

Greetings!

Pravega's Ideathon is a major college fest by IISc Bengaluru. STEMposium, a new event in Ideathon is offering students a chance to showcase creativity, gain science communication experience and win cash prizes. STEMposium Pravega will provide a platform for students to explain STEM concepts through digital content like blogs, presentations, or videos. Selected winners will get cash prizes and an opportunity to participate in Round 2 at IISc Bengaluru.

**Eligibility:** Class IX to XII.

### Registration:

1. There is no registration fee. Students can register individually or in teams of two.
2. Registration is through a Google Form on the Pravega website.

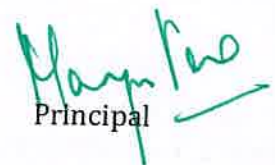

### Event Format:

1. STEMposium is a two-round event looking to find people who are passionate about bringing science to the masses.
2. The first round is online in which teams have to select a topic from the fields of Physics, Chemistry, Mathematics, Biology and Computer Science, which they want to explain. The only thing that matters is the explanation of the topic which involves imagination and creativity.
3. The explanations can be in any format, be it a written document, a blogpost, animations or a video. Since the fundamental aim is to make engaging, insightful content, students will have the liberty to choose any format that they feel does the best justice to their chosen topic.

**Last date for registration:** 9th September 2023.
