DPS KP-V/2023-24/Circular/182

### Circular

Dear Parents

You are requested to read this advisory for prevention and control of Dengue, chikungunya, malaria etc.

### **ADVISORY**

### **Prevention & Control of Dengue**

1. Do not allow water to stagnate in and around the premises to prevent breeding of mosquito.
2. All water containers and water tanks should be covered.
3. Aedes mosquito bite at day time- therefore wear long sleeved clothing and trousers for protection.
4. Use mosquito repellents during day time also.
5. Only paracetamol should be used for fever because other antipyretics may cause bleeding during dengue infection.
