Dear Parents,

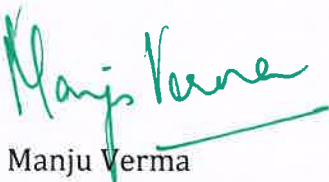

Greetings!

As AI pervades our home and work space, it has become imperative to understand the technology as well as the myths, realities, apprehensions and enthusiasm around it. Under the leadership of Honourable Chief Minister of Uttar Pradesh, Team UPAI has recently launched 22 video lectures on AI literacy and awareness on its website www.teamupai.org.

Students can access these videos to learn more about AI. Following are the steps to access these modules:-

- Open the URL: Teamupai - AI Literacy for ALL
- Scroll down and click on "Click here to watch all videos" button. Orientation module videos will open.
- Once you have watched all the videos, click on the "Qualifying Test" button.
- Click on the "Register for test" button and enrol for the course by filling all the details.
- Once the form is submitted a window will appear stating your username and password. Login with the given username and password.
- Click on the 'examination' and take the test.
- Students achieving the required score will receive an e-certificate.

Let us embark on this informative journey and learn more about AI together!
