

REPORT OF INTERHOUSE STANDUP COMEDY ACTIVITY REPORT

Name of the Activity : Scientific Caricature
Day & Date : 13 December , Wednesday
Class : XI
Activity Incharge : Ms Himani Sarin Arora
Teacher Incharge : Mr Amit Chaudhary

Objectives:

- Creating caricatures within a scientific context can be both informative and engaging. Here are some objectives that scientific caricature drawing could aim for:
- Use caricatures to simplify intricate scientific concepts, making them more accessible and understandable to a wider audience. Emphasize key elements while reducing unnecessary details.
- Depict scientific processes or theories through sequential art, employing caricatures to tell a visual story that elucidates complex scientific ideas in a more relatable manner.
- Showcase prominent scientists, their contributions, or pivotal discoveries through caricatures, making their achievements memorable and engaging for educational purposes.

An Inter House Scientific Caricature Competition was organized at MBS International School, Dwarka , on 13, December 2023. The students of class XI enthusiastically participated in the competition as they got the opportunity to exhibit their talent and confidence. The students came up with science related theme They enjoyed their presentation while expressing their thoughts, imagination and creativity.

The young talents enthralled the audience with their skills. It was a splendid opportunity for them to gain confidence through stage performance. Everyone was delighted seeing their amusing and pleasing performances.

Judgement Criteria:

- It was an individual competition with the time limit of 40 Minutes.
- No participant can point out any individual or religion in any way.
- .

Results:

S NO.	Name of Winners	Class	House	Position
1	Nayana Santosh	XIA	Curie	First
