

## Report of Excursion to the Zoo

An atmosphere of zeal,thrill and livliness pervaded in the classes, on 20th December,2023,as the students of grades I and II were taken to the Zoo for an educational excursion.

The enthusiastic learners, not only got an opportunity to delve into the world of wild life but, also got an insight into the habits and habitats of different animals.They got the chance to observe and learn about the various animals like the lions, tigers ,deer, elephants, rhinoceros ,bears hippopotamus and the leopards.

Students were also fascinated by the vibrant, assortment of colourful birds like the peacocks, ostrich and the pheasant.

The excursion truly proved to be an immersive and enlightening experience, that not only educated the learners but , also fostered a sense of responsibility within the students towards the conservation of our planet's diverse species.
