Classes I and II

Excitement was in the air ,as our little wonders wearing their Santa caps used their imagination, creativity and artistic skills in designing the X Mas tree,mask of a Santa and even the Snowman. Students sang carols and the Jingle Bells song merrily.The festive spirit finally reached its height when Ms.Neetu Singh,dressed up as a Santa, came to the classes and greeted the students with candies.Students danced with her on the beats of "Jingle Bells, Jingle Bells, Jingle all the way."
