

ITL CELEBRATES CHRISTMAS

Date: 22 December, 2023

Organised by: ITL Public School

The joy of brightening others' lives becomes, for us, the magic of the festival.

ITL Public School celebrated Christmas on 22 December, 2023 with great fervour. The entire premises were festooned with colourful artwork done by the students which further elevated the spirit of the festival. The students partook in diverse creative activities to infuse the school with enthusiasm. A special assembly was organized for Classes I- V, where the students sang carols and danced on the Christmas songs to share the zest of the festival with one another. The students were happy to see Santa Claus and there was excitement all over. The students also made Christmas cards for their friends and family, followed by a variety of delicacies that were shared in the class party.

The students of Class VI made personalised versions of Santa Claus for Christmas home decor and class VII students made personalised Christmas tree decorations incorporating photographs of the family and friends to imbue each ornament with a special meaning. Furthermore, Class VIII students designed Christmas gift bags, fostering joy and thoughtfulness in the act of giving and sharing. The culinary activity added a spark of creativity as the students prepared various healthy and delectable dishes like salads, sandwiches and demonstrated it to their peers. Christmas acts as a unifying force, reminding us of our shared proclivity and joy, embodying the spirit of giving, and togetherness. The students of Classes VI- XI visited Don Bosco Ashalyam and Asha Grih to reach out to those in need, and to celebrate the day with the less fortunate.

The day ended with great zeal as students enjoyed melodious Christmas Carols.

We hope that the day of Christmas be merry and bright!
