

‘Ghoomer’ Movie screening

Students of class X, got their boost of inspiration by watching the spectacular movie, Ghoomer, revolving around a young batting prodigy, who after a tragic accident turns her fate around with the help of an ordinary, but unconventional trainer and lands up inventing, a new bowling style called, Ghoomer.

Ace journalists have identified the movie as one, with a powerful tale packed with stellar performances.

Students, who were looking forward to this outing with a great amount of zeal, got a chance to create pleasant memories outside the classroom with their friends and teachers; simultaneously taking back home a substantial amount of learning from the remarkably directed poignant and powerful tale of human resilience.
