“Every time we love, every time we give, it’s Christmas.” —Dale Evans

Christmas brings with itself the special message of hope, happiness, joy and merriment!

With this thought, a special assembly was conducted by the students of Curie House on 19 December 2023. The boundless joy of celebrating this festival was quite evident on the faces of each child and red and white colour spread throughout the whole school .

The joyous Christmas assembly commenced with a solemn holy prayer, seeking blessings for this festive occasion. The carols, skillfully sung by both junior and senior curie house students, weave a melodic tapestry around the theme of glory, filling our hearts with warmth and Christmas spirit amongst the audience. These students dressed in Christmas colours of red and white delivering a message of peace and harmony around the world touched everyone's heart.

This was followed by a speech and poem on the Christmas theme that resonated the essence of love and joy. A marvelous roleplay performed by students of class V portrayed the life and values of helping each other, exemplifying the true meaning of Christmas.

The dance by our tiny tots from class I and II added a delightful touch that showcased their enthusiasm and innocence. Students tapped their feet and danced gracefully on the beat of Christmas songs.

Words of Wisdom were spoken by the House Mistress which guided everyone the true meaning of Christmas and encouraged them to experience the power of sharing and helping others.

To conclude, Christmas assembly was a delightful event, filled with festive spirit and joyful performances. It successfully brought together the school community, creating a warm and celebratory atmosphere that marked the joyous season.

Wishing all MBSians a Merry Christmas and a healthy and fabulous New year!
