

**WINTER ENGAGEMENT
PROGRAMME
THEME – “TRANSPORT”
CLASS - II
(2023-24)**

Dear Children,

As winter break unfolds, let's inspire dive into the world of creativity. From crafting imaginative stories to exploring artistic expressions, let their creativity soar. This holiday season, let's make learning a joyful journey for our young minds.

Happy Holidays!

Kindly note the following activities to be done during the vacations:

- 1.) Create a storybook about a journey you've taken using any mode of transport. Write about the adventure and excitement of your journey. Use words and images to bring your adventure to life.
- 2.) Build an innovative model of means of transport using 'Best out of Waste' materials according to your roll number:

➤ 1-7: Land Transport

➤ 8-15: Water Transport

➤ 16-23: Air Transport

➤ 24-31: Traffic Signs (any 3) - Craft an artistic representation of traffic signs using recycled materials.

➤ 32-39: Traffic Lights - Develop a model of traffic lights using sustainable resources.

**Along with all the merriment and the fun-filled days,
revise the lessons and concepts done in class and
practice the attached worksheets.**
