**ORGANISED BY: MBS International School**

**DAY & DATE: Wednesday, 17 January 2024**

**DURATION: 1 hour**

**VENUE: School Auditorium**

**ATTENDED BY: Class IV & V Students**

#### ***Objectives –***

- To equip individuals with the knowledge, skills, and awareness necessary to navigate social situations with poise, respect, and consideration for others.
- To guide proper table manners and dining etiquette for both formal and informal settings

The Social Etiquette workshop held at MBS International School on 17 January 2024 for students of Classes IV and V was a valuable opportunity to instill essential life skills. The session commenced with a thoughtful discussion on the significance of creating positive impressions and avoiding negative ones. The overarching theme emphasized the importance of displaying good manners not only within the school environment but also in everyday interactions.

A key focal point of the workshop was the use of "golden words" such as thank you, please, sorry, and excuse me. These simple expressions were highlighted as powerful tools for building and enhancing relationships. Students were encouraged to incorporate these words into their daily vocabulary, recognizing their role in promoting courtesy and respect.

The workshop delved into various aspects of Social Etiquette Skills, including greetings, eye contact, correct postures, conversation skills, table manners, and positive body language. Participants gained insights into how these skills contribute to effective communication and positive social interactions. Practical demonstrations and interactive exercises likely enhanced the learning experience for the students.

The concluding segment of the workshop focused on applying these learned skills in different settings. The importance of behaving appropriately in various situations was underscored, emphasizing the positive impact it has on making others feel valued.

Additionally, it was highlighted that practicing good social etiquette helps in avoiding unnecessary confrontations and contributes to a harmonious social environment.

In essence, the Social Etiquette workshop at MBS International School provided students with valuable insights and practical skills to navigate social interactions with grace and consideration. The emphasis on building positive relationships and effective communication is likely to have a lasting impact on the students' personal and academic lives.
