STUDY ABROAD WORKSHOP BY SIMPL-ED

Venue: Auditorium

Teacher: Ms Vijaylaxmi

Class : XI A and XI B

Date: 16.01.2024

A workshop was organized by simpl-ED, for Grade 11 students on 16th January 2024 in school Auditorium. The session included guidance and important insights on studying abroad, and future prospects in terms of exposure and academic options.

International Delegates present in the session included:

1. Mr Jonatan Nunez : International Admissions Recruiter from Wichita State University, United States.
2. Dr. Katharina : Director IDO from United International College, Florida United States.
3. Mr Prakash Saklani: International Recruitment Manager From Audencia Business School, France.

The team was joined by Mr Asad: SimplED Coordinator

Each international delegate spoke about their campus, courses and benefits of joining their respective institution. Following topics were discussed in the presentations:

- Criteria for scholarships
- Financial aid provided for Indian students
- Diversity of courses
- Environment around campus
- Living expenses
- Partnerships with other universities

Students were later given time to have a doubt clearing session and provided with info-brochures, pamphlets and contact cards.

The session provided students interested in studying abroad, with an overview of its benefits and opportunities and a guided on how to apply for top universities represented by international delegates.
