Content:

A career fair was organized by JM International School, Dwarka for Grades XI & XII in the association with Jatin Chawla's Career Development Centre to facilitate students with the opportunity to explore career avenues and develop professional acumen. Various universities like University of Utah, USA, Sushant University, ISSC, Master's Union, Christ University, Woxsen University, SRM University, and so-on visited the school. Various facilities provided were explained by them through brochure, flyers and presentations. The aim of the Career Fair was to disseminate career information and provide counseling for various courses provided by different universities. Representatives from individual institutions also had one-on-one interactive sessions with the students. The Universities guided the students about the courses that they offer & cleared the queries regarding admission process, eligibility criteria, fee structure, placements etc. Students of Grade XI & XII actively participated and made the event successful.

University delegates counseled the students about preparations for entrances & board examination. Principal Dr Amita Saxena also visited the venue, where the university representatives discussed the new emerging courses like data sciences, Artificial Intelligence, Fashion Technology and the selection procedures of their colleges with her. She took interest in knowing details and encouraged students to utilize this opportunity to the fullest.
