

Pariksha Pe Charcha

On 29 Feb 2024, students of JMIS actively participated in the live telecast of "Pariksha pe Charcha," where Prime Minister Modi provided valuable counsel on exam-related challenges. The event was broadcast in the school, with teachers guiding the discussion.

The insightful discussion addressed a spectrum of issues concerning examinations, stress management, and holistic education. Students gained practical insights and guidance on handling exams with a balanced approach, fostering a positive mindset. The discussion served as a platform for meaningful dialogue, empowering students to navigate academic pressures effectively.

The interactive session fostered a positive learning environment, emphasizing the importance of balance and well-being during the examination period and also emphasized roles & responsibilities of the education system as a whole.
