

On 24 Jan 2024 Mr Kush Mishra alumnus of TAFS, topper of 2014- 2015 batch visited the school. Kush is presently working at Google. He addressed the students of Class XI and spoke on the importance of being regular to school and having a focussed approach towards academics. He acknowledged the contribution of the school and all the teachers who have taught him and have been instrumental in his success.

Feedback:

It was a privilege to be able to meet Kush Mishra and know about his inspiring journey. His journey from a topper to a successful engineer at google exemplified his determination towards the field of science and inspired us to follow the same path with the same vision and passion. He made us believe that If he could achieve such remarkable success, it's a testament that we can do it too. - Samanvitha (XIE)

The session with Mr. Kush Mishra was highly fruitful for me. His guidance on preparing for board exams and excelling in competitive examinations is poised to significantly contribute to my ability to secure an outstanding percentage. With a distinguished career at Google, he truly is an inspiring figure for all students aspiring to achieve success in life. - Rohan Arora (XID)
