

## RABID

Written by AMHIKA SAHU, VII B, 2023-24

**SUBJECT REPORT:** The victim seems to be suffering from delusions, hysteria, and loss of breath. The bite seems to be swollen; the subject appears to be stable; rabis seems to not affect the issue. Bite...

## GOOFY GHOSTS!

Written by Amhika Sahu, VII B, 2023-24

Ghosts are not as bad as you think; some spirits are just goofy and weird, and some are creepy and scary. I am here to talk about the goofy ghosts, Hair twiddlers, closet creepers, bed buddies, twilig...
