CIRCULAR

Dear Parents
Greetings!

In keeping with the CBSE curriculum, besides Hindi and English a child is required to study a III language. The option for choosing the III language is given to our students in class IV and they have to study this language till class VIII as part of their regular curriculum.

We offer the following options for the III language: -

1. **Sanskrit**
2. **German**
3. **French**

You are requested to help your ward to decide and make a choice of the language he/she would like to study as the III language. To help you in making an informed choice for your ward, we request you to kindly go through the PowerPoint presentation prepared by our language teachers (link is mentioned below). Kindly keep your child's interest & aptitude in mind while opting for the third language and submit your choice through the Google form given below latest by Tuesday, December 26, 2023.
