Dear Parents
Greetings!

As we all know that the CBSE Class-X Board date sheet has been announced and is available on CBSE website as well as it has been uploaded on our school portal. All our students, parents and teachers have worked hard throughout the year and now it's time for our final preparations.

Parents are requested to collaborate with the school and ensure to send their wards whenever HRT informs. Additionally, please ensure that they solve the sample papers being uploaded every day on school portal under your supervision at home.

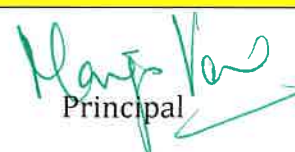

School has planned each day for our class X students to help them achieve maximum score in the forthcoming board exams. PTM is planned on different days in small groups so that subject teachers can explain your child's performance in Pre-Board-I. Also, Pre-board-I answer sheets will be given to the parents on the day of PTM only.

Together we can make children excel in upcoming Class X Board Exams.

DAY-WISE PLANNING
