“Photography is the art of making memories tangible.” – Destin Sparks

A Glimpse of the Event

Objectives: To enable the learners to

- capture and convey emotions.
- explore the diversity of emotional experiences.

An Inter House Photography Competition on the theme of "Emotions" for Class XII students was organized by MBS International School to encourage young photographers to explore and capture the essence of emotions through their lenses. The competition aimed to provide a platform for students to showcase their creativity, observation, and perspective on the bustling and diverse aspects of urban environments.

Students from Class XII enthusiastically participated in the competition. Their submissions reflected a diverse range of interpretations and angles related to emotions.

The judgement criteria included creativity, composition, relevance to the theme, technical skill, and overall impact. The submitted photographs were displayed digitally in Sr IT Lab. This allowed participants and fellow students to appreciate and discuss the visual narratives captured by the young photographers. The first, second, and third place winners, were recognized and awarded.

The event showcased the remarkable talent and creativity of young photographers, while also fostering an appreciation for the art of photography among students and the school community.

Judgement criteria

- Image Quality
- Composition Technique
- Visual appeal
- The extent to which it adheres to the contest theme
