Dear Parents

Holidays are opportunities for friends and relatives to get together and celebrate life. Our lives have become so hectic and stressful that we spend way too little time with the people we love. This causes all sorts of health problems, both emotional and physical. Human beings need to realize that we function in a community and we need each other's support. It is imperative that we use the holidays that we are given to spend time with our loved ones.

Our kids have been brought up in a world of technology, and while video games can be beneficial for critical thinking it is not really a past-time that gets creative juices flowing. The answer is not to take technology away from our kids but to show them a balance. This will help them to be more grateful for what they have and to create things on their own. We have included some creative ideas for you and your child, and you are welcome to put your own personal spin on these. You may find yourself feeling a little more creative as well.

There are certain things we need to do in summers like –

- Wear light coloured cotton clothes.
- Help Mummy in day to day chores.
- Keep your surroundings clean by throwing the garbage in the bin.
- Plant more trees in the neighbourhood park.
- Say no to Plastic bags.
- Prevent Global Warming by avoiding pollution.
- Take the newspaper daily. Underline a & i vowel sound words.
- Ask Mummy to teach you how to make Tea, Nimbu Pani, Salads, Jal Jeera, etc.
- Say no to carbonated drinks.
- Visit your neighbourhood market & count the no. of shops there.
- Eat lots of watermelon. Don't throw the seeds. Wash them & then leave them to dry. Now make a card out of them. You can use seeds of other fruits also like muskmelon, lemons, berries, etc.
- Clean your wardrobe. Take out all the clothes you don't wear. Give them to the poor. Do the same with your Study Table.
- Help mummy to clean the Coolers to prevent the breeding of Dengue mosquitoes.
- Get to the kitchen. Make a list of all the grocery items used during the month with mummy.
- Observe the difference between the trees you find in cities & villages.

Practice table manners with your ward (Knowledge of fork, spoon etc.)

Parents should speak in English with their ward and encourage them to communicate in English.

Eat lots of fruits and vegetables and drink lots of water.

With lots of love & blessings
