Summer time  
I love summer!  
Summer is hot.  
it's sun and shade  
it's water to wade  
it's frog and bugs  
it's grass for rugs

it's eating outside  
it's a tree-swing ride  
it's tomatoes and corn  
it's dew in the morn  
it's dogs and boys  
and lots of noise  
it's summer. That's why  
I love summer!

# E.V.S.

**\* Everything has some purpose. Humans are the best creation, and each person is exclusive. Thinking and writing about ourselves is one of the important things. Make a beautiful chart on “All about Myself” on an A4 sheet and decorate it with colors and pictures and write your name, date of birth, favorite food, game, best friend, etc. The sample is given for your reference.**

**OR**

**\* A family tree can be a source of great pride, and joy, and can bring an irreplaceable sense of belonging to a lot of family members. It is simply a diagram that shows the relationship between the members of a family. By keeping this as a reference, children can create a beautiful family tree by adding their family details.**

# Maths

\* Counting numbers are very important to know so that we can understand that numbers have an order and also be able to count numbers easily. In our real life, we can relate numbers to quantities. Make a number garden of numbers *1 to 10* with colorful sheets and make paper flowers in the pot and put number and number names on the pots. The sample is given for your reference.

OR

\* Position words concept, there is an explanation of words that are used to talk about the location of objects. Draw your dream house in your scrapbook, draw a tree to the left side and a car to the right side of the house. Draw an air transport above the house which you use to go to your favorite place.

# हिन्दी

आ की मात्रा	इ की मात्रा

दिन निकल आया।

रिमझिम-रिमझिम बारिश आ गई।

सबका मन बगिया - सा खिल उठा।

रवि साइकिल पर आया।

बहु झिठाई और किशमिश साथ लाया।
