

Dear Parents,

Warm Greetings,

We are delighted to inform you that the school is going to conduct Olympiad exams of the 2023-24 session. It is a privilege for the students to assess and enrich their competitive skills which is in high demand in today's immensely advanced education system. Olympiads are a ladder to reach the path of excellence. With a view to motivate students and to refine their performance, the school stands firm to give a professed room to the students. Kindly note the following details:

1. The Olympiads would be conducted for the following subjects:

a. Science b. Mathematics c. Computer d. English e. G.K. f. Sst g.

STEM

2. The registration fee for each subject is **Rs. 150/- and 300/- for STEM.**

3. The students may appear for one or more subjects as per their choice.

4. If the student wants to order the guide book for preparation of exam, they have to pay additional **Rs. 100/ each for Science**

5. **Sst & English, Rs. 120/ for Maths, G.K., Computer and Rs.250/ for STEM (optional)-.**

6. The last date of fee submission is **28th July, 2023.**

7. Exam dates are given overleaf.

8. The fee may be sent through the ward to be handed over to the respective class teacher.

Grasp the opportunity to perk up your competitive adeptness.
