School Diary
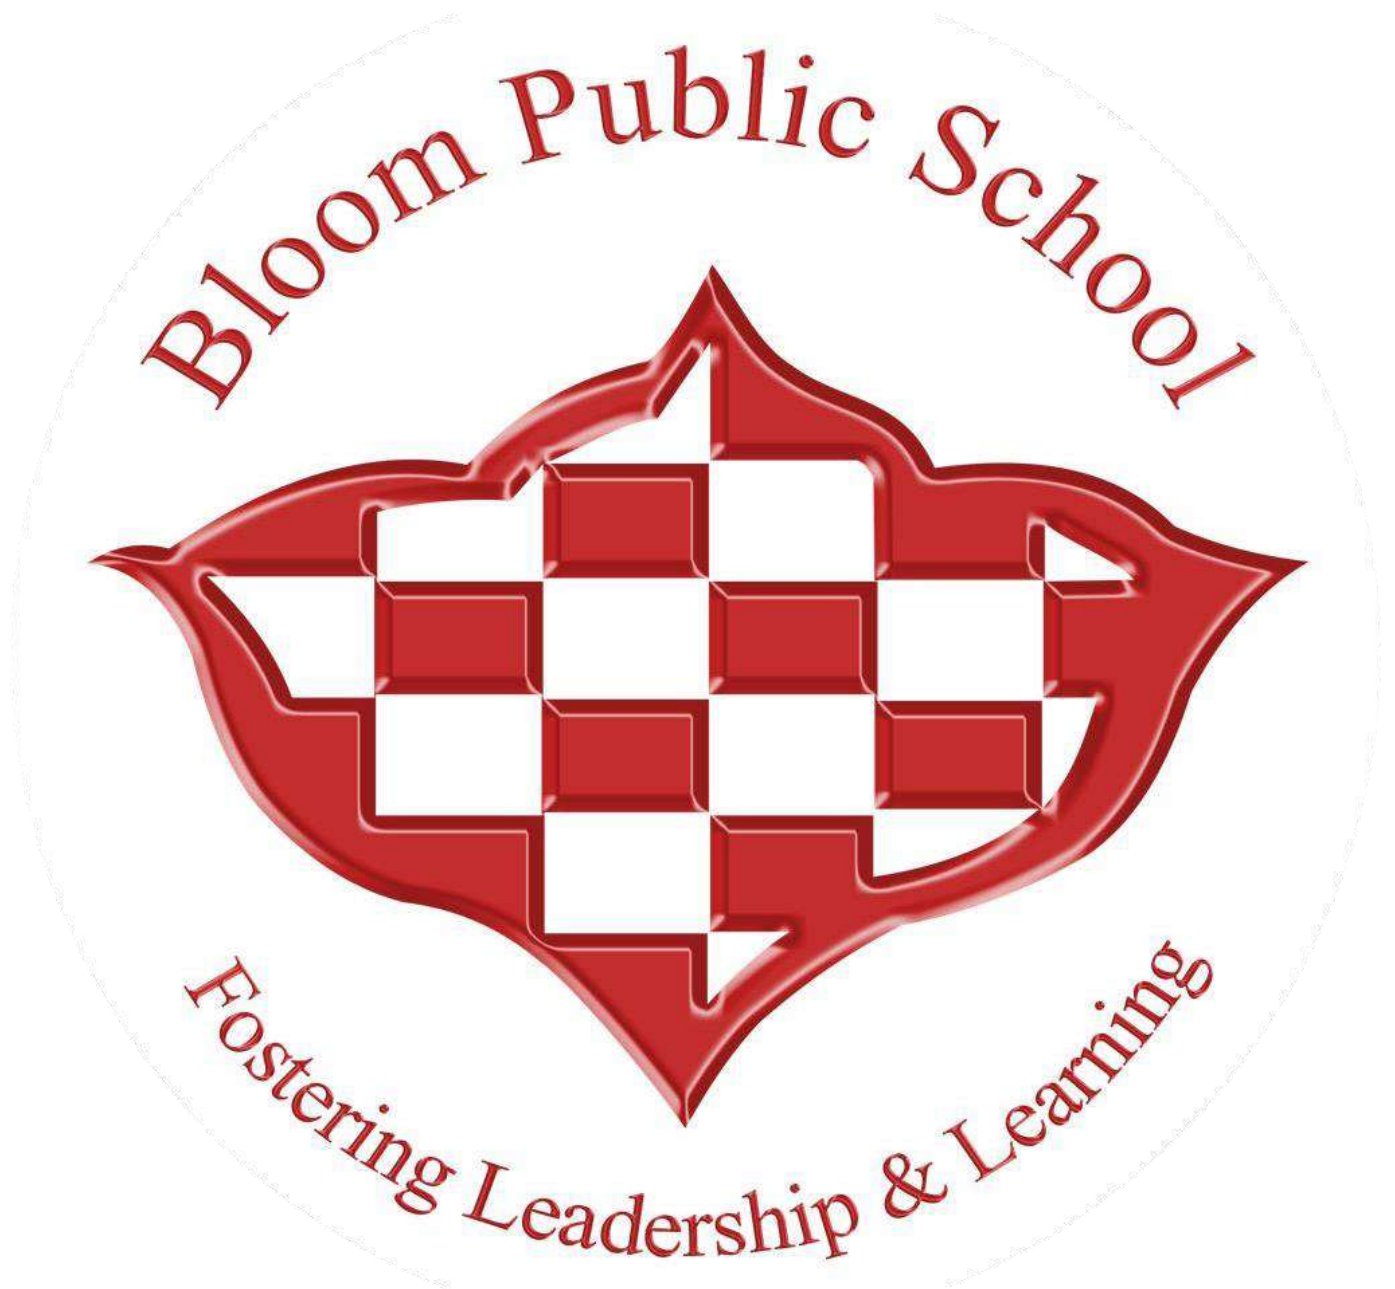

2023-2024

Bloom Public School

Fostering Leadership & Learning

Welcome!

The Bloom fraternity welcomes students and parents for the session 2022-23.

During the pandemic the teaching learning will take place online, through the school learning platform "CLOUD 9".

Details of how to best use Cloud 9 are given in the USER Guides available on the School Website.
Link -
The School will continue to engage parents in their child's learning journey.

The parents are encouraged to collaborate and participate in various school activities.

Our teachers undergo continuous professional development and are proficient in technology platforms, tools, gamification and applications for enhancing instructional practices.

The teachers create their Lesson Plans collaboratively which support inclusive and differentiative practices and are flexible wherein students participate in class activities without fear of any judgement.

Our Commitment

Bloom Public School is a Senior secondary educational institution (Nursery to Grade 12). Bloom consistently strives to enhance scholastic and co-scholastic processes, inclusive practices, infrastructure, human resources, leadership and management and technology enabled education. Pedagogies at Bloom are implemented with care and compassion, creativity and perspective, aesthetics and systems thinking thereby preparing our students to flourish and thrive in their careers and personal lives.

Teacher Training

Our teachers undergo rigorous and continuous Capacity Building Programmes.

The School is committed to make provisions for various training programmes for teachers to enhance their understanding of curriculum and delivery mechanism and other professional qualities.

The training of the teachers assumes even greater significance due to the pandemic and the transition of learning from rote method to competency based education.

Focus areas

1. Communication Skills
2. Content/ Subject Matter/Academic Competence
3. Digital Competency
4. Inclusion Measures
5. Research Competency
6. Assessment Strategies
7. Pedagogical Competency.
8. Conduct in Classroom
9. Conduct Outside Classroom
10. Behavioural/ Critical Thinking/ Adaptability

Technology Enabled Education

Our teachers are proficient in using technology to impart quality education. All teachers have undergo certification training on areas such as Blended Learning, Digital literacy, Integration of ICT in teaching etc.

Some of the technologies used for imparting learning and ensuring quality assessments are:

1. Cloud 9 - school ERP system
2. Google Suite - this includes google classroom, google slides, google forms, google docs, google sheets, google calendar, google meet, google maps, podcasts etc.
3. Digital tools such as Kahoot, Book Creator, Edpuzzle, Wakelet, Canva, Padlet etc.
4. Open source platforms such as Diksha (Digital infrastructure for knowledge sharing), NROER (National Repository of Open Educational Resources) etc.
5. Digital content has been created by teachers to support Synchronous and Asynchronous learning.
6. Other resources such as Youtube, Google earth, TEDx and TedEd videos etc.
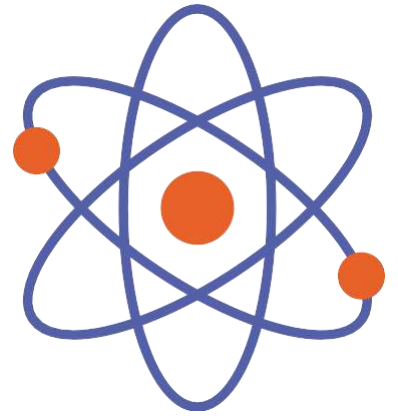

Bloom's Taxonomy

Bloom's taxonomy is a hierarchical system that categorizes the thinking skills of students, ranging from recalling information which is the most basic skill to evaluation, which involves judging and stating an opinion about information. It is an effective tool that teachers and educators can use to create lesson plans and tests in the bid to encourage critical thinking.

CLOUD 9

Cloud 9 is an Enterprise Resource Planning platform. The School is managed and run through a centralized management system.

The Management of the School oversees the functioning of the School through the Cloud 9 platform.

The advantages of this platform are:
- Prompt decision making
- Real time data record
- Lesser paper work
- Effective communication
- Increased teacher time
- Quality and compliance

A detailed user guide has been prepared for Parents accessible through the link given below

Parent - Teacher - Child

Parent, Teacher, Child Interactions will be held online. The dates will be intimated to you via audio/message on class whatsapp groups or on the Cloud 9 parent portal

Always be **kind**.

Listen when someone is talking.

Raise your hand before you speak.

Use materials **wisely and sensibly**.

Be **respectful** at al times.

Always be **honest**.

Online Classes

We request our parents to adhere to the following rules and regulations to ensure a safe learning environment.

Device should be put on and fully charged

Ensure strong network connection

Video and audio should be functional

**Ensure there is no background noise/ distractions**

Child should be appropriately dressed

Join class on time

Use the 'raise hand' button on Google Meet for permission to speak.

Pay attention to your teacher or other students who are speaking

Respect our virtual classroom as you would respect our school classroom

Be Safe Online

- Keep TV/ laptops/ computers etc. in a common area
- Develop digital rules in consultation with children
- Talk with children regularly to help them understand the importance of responsible use of the internet
- Discuss with children about netiquettes like not to post hurtful messages about others, not to post photos, videos and other information without permission of that person online; think before posting one's photos, videos or other data in social media and other places.
- Use parental controls in devices and enable safe search

CBSE has released a manual on cyber security for learners.
