

**Dear Parents,
Warm Greetings!**

As our students are ready to embark on their step towards higher education, we feel that Career Guidance is crucial for them as it will help them explore their interest, align their skills with potential professions, and make informed choices about their future. We appreciate your decision whole heartedly for enrolling your ward for this program and would appreciate your valuable involvement towards a step closer to your ward's bright future. Please ensure that you and your ward are present on the important days as per schedule given below.

Kindly encourage your ward to grab the opportunity to explore potential career paths, ask questions, and gain clarity on his/her aspirations as we know that their future is important. Taking this program seriously will help your ward from avoiding the common mistakes which they commit by wrong stream selection and following peers in their career choice.

IMAGINE WE CAN AVOID THIS.

If you are interested you can still register for the Counselling Program. (Contact Class Teacher)
