Social Science

Q.1 READ THE CASE STUDY AND SOLVE THE FOLLOWING QUESTIONS:-

There is a big organisation called the Municipal Corporation that takes care of street lights, garbage collection, water supply, keeping the streets and the market clean. Cities are usually quite large so the Municipal Corporation has to make a lot of decisions as well as do a lot of work to keep the city clean. The decisions like where a park or a new hospital should go are usually made by the Ward

Councillors. The Municipal Corporation is also responsible for ensuring that diseases do not break out in the city. It also runs schools, hospitals and dispensaries. And makes gardens and maintains them. In smaller towns it is called a Municipal Council.

- 1.) What is a municipal corporation?
- 2.) How does the municipal corporation maintain cleanliness?
- 3.) Who decides where to build a new park or hospital?
- 4.) What is the Municipal corporation called in smaller towns?
