

“Partners in Parenting”

**Dear Parent,
Warm Greetings,**

Greetings and a warm welcome to the New Academic year ! Congratulations that your ward has now met another milestone in his/her educational journey. To familiarize the parents about the new class, system and the teachers, an Orientation program has been scheduled on Saturday, April 20, 2024 from **10:00am onwards** in the **Auditorium (Ground Floor)**. Orientation program has multiple merits as it gives parents a peek into how the entire academic year of their ward would look.

It is the first formal forum where the Class Teacher and the parents are able to meet each other. The Class Teacher orients the parents about the class level programs, system, the expectations from the students, assessment pattern, initiatives, etc.

The objective and endeavor of the proceedings would be to familiarize and provide you with the brief insight into the classroom routine, assessment policy, subject strategy and other subject enrichment activities.

You would also be introduced to the class teachers and few subject teachers of your ward. Your Participation in this orientation is highly recommended, as it will serve as a valuable opportunity for us to establish a strong partnership.

Kindly note :-

- * The Orientation Program is to be attended by **Parents only** or the person who looks after their studies at home.
- * The school will remain closed for students Please confirm your attendance for the program as it would help us to connect with you better.
- * Our School counsellor will share tips to know your adolescent kids better.

Looking forward to an eventful and a fruitful session ahead!

Best Regards
