

**A Report**  
**Class Assembly IX-C**

*Buddha said, "Peace comes from within. Do not seek it without."*

DPS Maruti Kunj witnessed an awakening assembly on 'WORLD PEACE' portraying the aforementioned quote on 13 July 2023.

The class assembly commenced with a soulful prayer and mellifluous choir urging for peace across the borders. News update with the affairs around the globe was followed by captivating poetry recitation and enactment. An article on 'Anti Bullying' along with a pledge added another dimension to the theme. The assembly came to its finale with an instrumental on guitar and a scintillating dance performance on 'Guru's of Peace'.

The Principal motivated the students disseminating the message of world peace and prosperity. The assembly culminated with the rendition of the National Anthem.
